F3 METAL CRAFT

Precision Metal Fabrication &
Retail Fixture Solutions

ABOUT US

F3 Metal Craft is a dynamic and fast-growing manufacturing and fabrication company specializing in sheet metal fabrication, CNC laser cutting, retail store fixtures, elevator components, facades, and EV battery boxes.

Based in Faridabad, Haryana, we provide high-quality engineering and fabrication solutions using modern technology and skilled craftsmanship.

Our expertise covers MS, SS, and Aluminium sheet metal cutting and fabrication for a wide range of industries including retail, energy, infrastructure, and industrial sectors.

With a team of **40-50 skilled professionals**, we are committed to delivering precision-engineered products, reliable service, and timely project execution.

Our goal is to support businesses with durable, innovative, and cost-effective fabrication solutions that enhance both functionality and aesthetics.

F3 METAL CRAFT

DESK OF THE FOUNDER

At **F3 Metal Craft**, our journey began with a simple vision — to deliver high-quality metal fabrication solutions with precision, reliability, and innovation.

We understand that every project requires accuracy, durability, and attention to detail. Our team continuously works to improve our processes, adopt new technologies, and maintain the highest standards of workmanship.

Our commitment is not only to manufacture products but also to build long-term relationships with our clients through trust, quality, and timely delivery.

We sincerely thank our clients and partners for their continued support and trust in **F3 Metal Craft**.

*Grateful for your trust.
Committed to your success.*

FOUNDER

“

Our vision is to *deliver excellence* in every product, build *lasting relationships*, and create *value* that strengthens industries and empowers growth.

”

F3 METAL CRAFT

WHY CHOOSE US

Experienced team of
40–50 skilled professionals

Advanced CNC laser
cutting technology

Expertise in MS, SS &
Aluminium fabrication

High precision
manufacturing

Customized solutions
for different industries

F3 METAL CRAFT

Precision • Quality • Reliability

OUR SERVICES

» Complete Metal Fabrication Solutions Under One Roof.

1

SHEET METAL CUTTING

We provide precision cutting of MS, SS, and Aluminium sheets using advanced machinery ensuring high accuracy and smooth finishing.

2

SHEET METAL FABRICATION

Complete fabrication solutions including bending, welding, forming, and finishing of metal components for industrial and commercial applications.

3

CNC LASER CUTTING SERVICES

High precision laser cutting technology for intricate designs and accurate metal components.

4

STORE SUPPLY FIXTURES

Design and manufacturing of retail store fixtures such as display racks, shelves, counters, and custom retail displays.

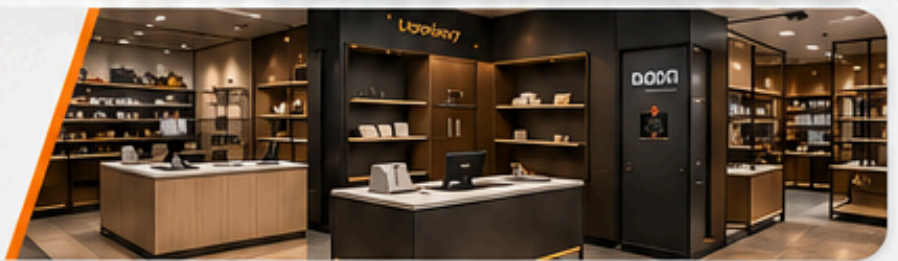

5

RETAIL STORE & SHOP-IN-SHOP SOLUTIONS

Complete fabrication of retail shop interiors, shop-in-shop setups, and display structures.

6

ELEVATOR & LIFT COMPONENTS

Manufacturing of elevator panels, lift structures, and metal components for elevator systems.

7

ARCHITECTURAL FACADES

Modern metal facade structures for commercial buildings and architectural projects.

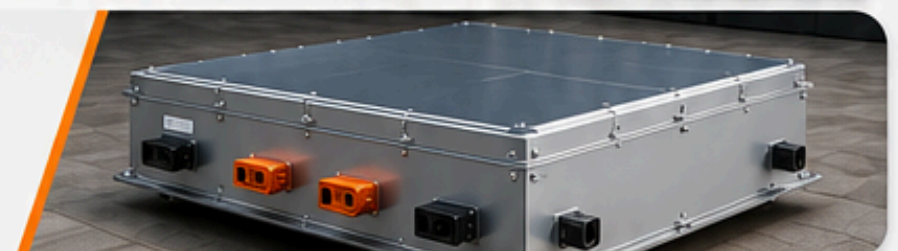

8

EV BATTERY BOXES

Manufacturing of precision battery enclosures and metal boxes for electric vehicle battery systems.

OUR WORK

Precision in Every Cut. Excellence in Every Project.

At F3 Metal Craft, we combine advanced technology, skilled workforce, and strict quality control to deliver high-precision metal fabrication solutions for a wide range of industries.
